### Le Chinois Cantonese Restaurant

#### 50% off Golden Garoupa Roll

Garoupa is a golden ingredient in Cantonese cuisine, which is usually cooked with light seasonings to preserve the freshness. It is a favorite for many, including Le Chinois. To celebrate this golden food, Le Chinois is offering 50% off the signature Steamed Garoupa with Millets in Golden Supreme Soup.

White garoupa is sliced and steamed to tenderness in golden supreme soup, which is prepared with a variety of bones and chicken broth, together with mashed pumpkin: rich in collagen, golden in color.

It is quite a challenge to fillet the fish evenly in order to make rolls. In addition, 150% concentration is required to perfect the soup – to extract the richness and fragrance. It is a pinpoint matter. In this two respects, as a matter of course, the culinary team at Le Chinois will not disappoint you, like every occasion in the past.

With this special privilege, let's come for a wonderful group dinner with garoupa.

## So SPA with L'OCCITANE

### Unwind with An "Aloha" Spa

Aloha! Does the tropical summer weather remind you of Hawaii? But time constrains you to fly to and enjoy the dances in Hawaii? Rest assured. Hawaiian techniques are just around the corner.

This summer, So Spa with L'OCCITANE is presenting to you the unrivalled Hawaiian Lomi Lomi Massage. Relax in a spacious and unwinding suite in So Spa, and enjoy the choreographic therapy inspired by the Hawaiians to reassemble your mind and spirits, as well as rejuvenate your body.

You may be assigned with a random masseur, and they may have their unique techniques. Yet the relaxation is crucial. The unique but unrestrictive system of techniques allows masseurs to perform their own "dances" according to your needs, so that your experience is perfected.

Energy blockage is one of the main causes of fatigue. Your masseur will utilize their set of techniques to help remove energy blockages and open energy pathways in your body, thus your energy will regain harmony. Not to mention the therapy is a dance itself.
